Our Thoughts on 「SOEL」 Patient Lift Series

“SOEL” is the major patient lift series of JCLS, in which we put the thoughts - continue to stay close to care recipients, caregivers and all others involved in care, to be a reliable being as someone support them gently by hands “添える soeru = SOEL” in Japanese all the time. At JCLS, we are committed to develop our products with the thoughts, endeavor to make everyone to feel secure, safe and tranquil like a family.

Our Thoughts on the Prodcut Name of 「SOEL」 Patient Lift Series

For each product name, we've added the alphabet “x”, representing the meaning of “Trans = Beyond”. Here at JCLS, we go beyond the development of caregiving lift products. We leverage technology to provide an environment where you can use our products safely and with peace of mind. This aspiration of ours is symbolized by the letter “X”.

CX : Ceiling Lift

MX・Type-C : Mobile Lift

MX-Air : Robotic Mobile Lift

BX : Bath Lift

Ceiling Lift

SOEL[®] CX

Product Code : CX-AA-101

SOEL CX is safe and easy to use even for inexperienced users with its enhanced safety feature: Voice announcement for safe use, safety latch on hanger for preventing accidents, waterproof feature for bath care.

Mobile Lift

SOEL[®] MX

Product Code : MX-AA-101
TAIS Code : 01540-000010

SOEL MX is developed to be easily for women and elderly to move and operate. The compact design of vertical lifting with strap contributes to easier, safer and more stable lifting for transfer.

Robotic Mobile Lift

SOEL[®] MX Air

Product Code : MX-AR-101
TAIS Code : 01540-000012

A robotic functionality has been added to the mobile lift. The handle detects the direction the caregiver wishes to move, and the drive casters are engaged in that direction to assist the movement of the lift. This enables effortless movement of the lift without much strength or effort to the desired direction, even on soft flooring materials like carpets.
